AYERS

Sarsaparilla, however pure, is always spoken of in terms of highest praise. WILLIAM SMALL, Fort Fairfield, Me., says, in a letter recently received: "It gives me pleasure to speak from personal knowledge of the wonderful cure, by the use of AYER'S Sarsaparilla, of a bad humor in a child eleven years old. The child's hands, arms, feet and legs were covered with blotches and scales, resting all local applications. Very soon after taking AYER'S Sarsaparilla the humor disappeared, the cure being complete. As a blood purifier I consider that AYER'S Sarsaparilla stands at the head of the whole catalogue of such preparations, especially when used in connection with AYER'S PILLS."

"There can be no question as to the superiority of AYER'S Sarsaparilla over all other blood purifiers. If this was not the case the demand for it, instead of increasing yearly, would have ceased long ago, like so many other blood medicines I could name."—F. L. NICKERSON, Charlestown, Mass.

2d Edition.

THE ARMY BILL SAFE

Capri makes Concessions to Gain Votes.

MR. BOOTH SOMEWHAT IMPROVED.

Australia Takes Steps to Help the Banks.

EXCITEMENT ON 'CHANGE.

THE ARMY BILL SAFE.

Concessions Will Be Made by Chancellor of Capri.

BERLIN, May 1.—The Berliner Tagblatt announces that the negotiations between Chancellor von Capri and the progressive members of the center regarding the bill for the army bill have ended.

Freiherr von Hollnagel-Herzfeld, it is understood, propose a motion to reduce the government demand to 30,000 men for the first year, and the government will not object to this motion.

The Tagblatt states that a majority is thereby assured for the measure as amended.

BOOTH SOMEWHAT BETTER.

His Physician Claims That the Papers Have Published Misstatements.

NEW YORK, May 1.—Dr. St. Clair Smith visited Mr. Booth at 10 o'clock this morning and remained at the bedside of the sick actor for fifty minutes. When he came out he approached a group of reporters and said: "Gentlemen, I will really care to give you information regarding the condition of the actor. If the papers continue to misrepresent my language and my patient's condition, as several of them did this morning, they say he was suddenly worse and became unconscious last night. That is absolutely false. Last night Mr. Booth had an unusually good night. He never been unconscious. On the contrary, this morning his mind seems clearer than at any time since he was stricken. He appears to notice things more. In fact, if anything, his condition is somewhat better than it has been since his illness began, but the improvement is very slight."

"Have you any hope of his recovery?"

"To this question he replied, hesitatingly: 'Well, certainly I have just as much hope, and may a little more, this morning than at any time since he was taken sick.'"

TO HELP THE BANKS.

A Five-Day Holiday Denied by the Australian Government.

MELBOURNE, May 1.—The general uneasiness caused by the many failures of Australian banks continues, and the suspension of the National Bank of Australia, the last of the financial institutions to go under, has added greatly to the excitement in banking and commercial circles. The colonial government has issued a proclamation ordering a five-day bank holiday with the object of saving time for the banks still doing business. This step was taken after consultation with the managers and other officials of the leading banks. Several banks that were not considered as to the advisability of closing their doors for a short time have paid no attention to the proclamation and today are doing business as usual.

In nearly every case where Australian banks have failed within the past two years the trouble has been attributed to the withdrawal of deposits.

THE WOMAN'S BUILDING.

It is Opened With an Eloquent Address by Mrs. Potter Palmer.

CHICAGO, May 1.—The most satisfactory feature of the day's proceedings, from a feminine standpoint, was the formal dedication of the new building at the administration building in the city of Chicago. The building, which is a fine example of modern architecture, was opened with an eloquent address by Mrs. Potter Palmer, who presided over the ceremony. The building is a fine example of modern architecture, and it is a building that is well worth the attention of the public.
